AMA Chartered Club # 139

## *Bonus Newsletter - Pictures Only*

At the board meeting.

**At the flying field.**

**Albert's F104 ducted fan electric.**

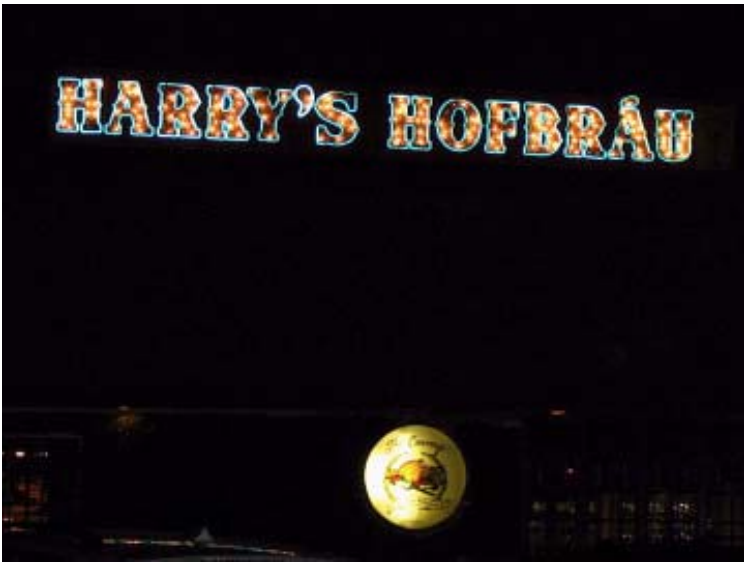

**Albert's twin electric Bronco.**

**Charlie's Ultra Stick 60 with a twin cylinder O.S. 4 stroker.**

At the Banquet.

**Ellsworth with his grand prize.**

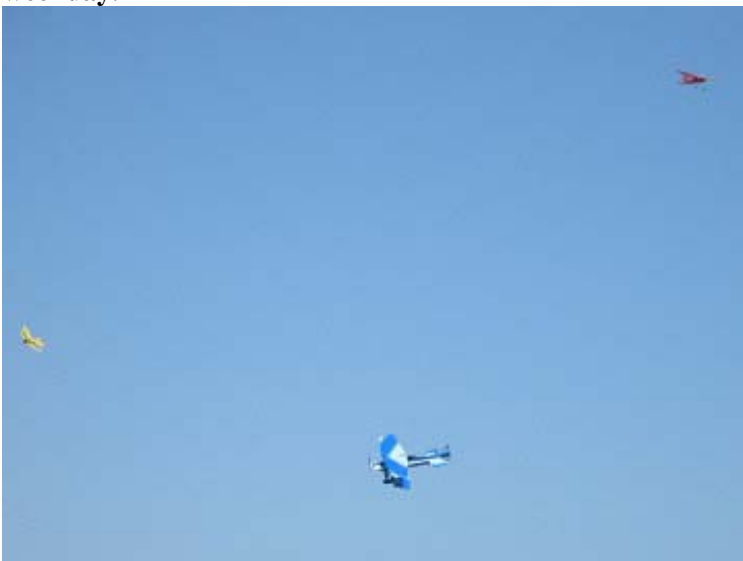

**Hovering foamie!**

**Beautiful flying weather brought out the crowd during a weekday.**

**More busy skies.**

**Guest fliers.**

Guest fliers from Foster City.

Busy skies.

Looks like a mid air but the white plane was quite far away.

Jim and Ed admiring Ed's aerobatic electric.

Beautiful flying weather. The most beautiful flying field in the Bay Area.

Harry's plane with a brand new Zenoah 20cc i.e. The wave of the future?

**Gas or electric is the only way to beat the high cost of glow fuel.**

**Dennis' Ultimate Biplane with the same engine.**

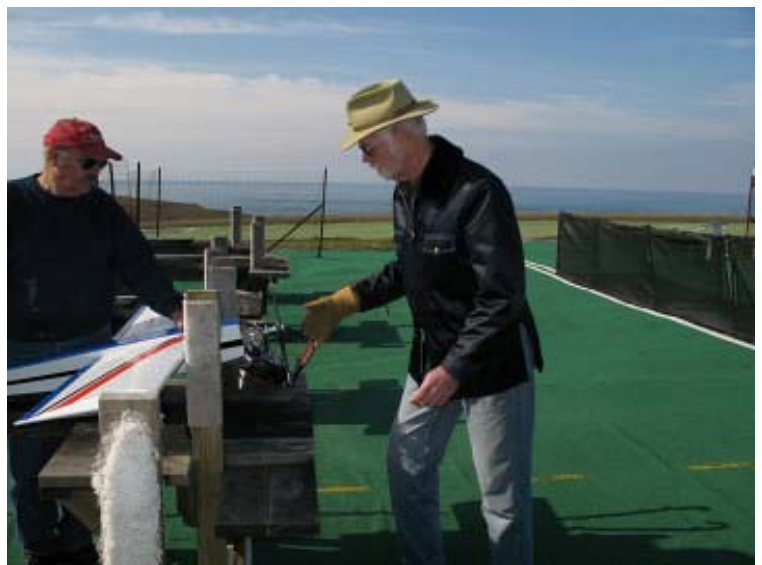

**This is a view of the 20cc Zeonah showing the muffler.**

**Olivier with his eyes opened.**

**Hans with his baby.**

**Harry starting the 20cc Zeonah for the first time. Quiet engine. You don't have to buy a muffler for it.**

Dennis holding Harry's plane with the Zenoah 20cc running.

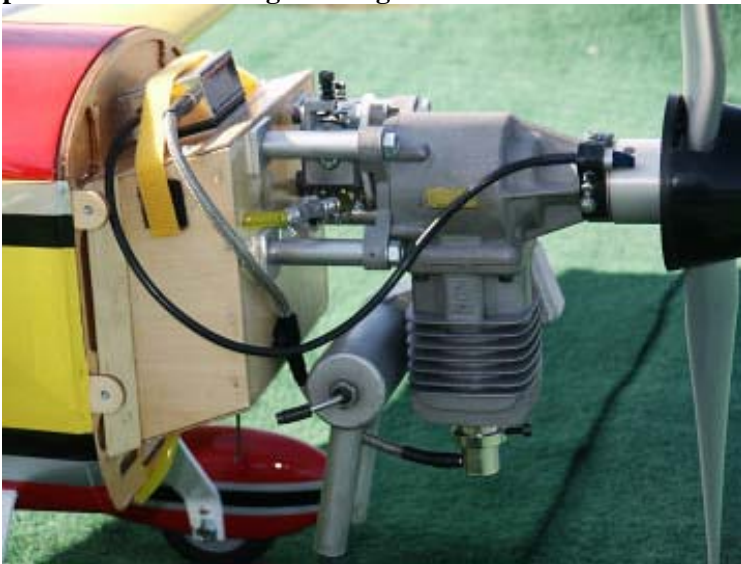

Brian flying his electric glider.

Mike with his Edge and a ZDZ 40. He was having some problems with the engine. Might be ok now.

John with his big camera.

The ZDZ 40.

John with his brand new airplane with a custom paint job.
